JUDGING PROCEDURES

Receiving: Delivery of Entry will be verified by Organizers based on received Entry forms. Each entry will be assigned and marked with a random identifier. Entry problems, such as incomplete forms, missing or broken bottles, etc. will be resolved and tracking information entered into the computer.

Cellaring and Care: Beers will be maintained under refrigeration until time of judging. Beers will be allowed to rest prior to judging.

Cellar Control: Beers will be transported to judging site a day prior to judging with maintained temperature and least amount of agitation. During judging beers will be poured by cellar staff controlling associated paper work for presentation to judges. Judges will not be allowed in cellaring area.

Stewarding: Each judging table will be assigned a single steward whose duties will include delivery of the poured beers to the judges without comment, table maintenance and checking judging sheets, provision of judges needs and linkage to the beer cellar.

Judging: Three judges will make up a panel. Whenever possible the panel shall consist of an acknowledged beer expert, a certified beer judge and one commercial craft brewer. No judge or brewer may sit on a panel where they have an entry or a vested interest. Judging will be based on the accepted fifty point (50) scale. Chief Judge will mediate any disputes and the judges decisions will be final.

Noninterference: No interference will be allowed by party having a vested interest in the judging. Attempts to influence decisions or obtain knowledge related to receiving, storage, identification, presentation, judging, service or awards will be grounds for disqualification of entries.

JUDGES QUALIFICATIONS

Certified Beer Judges: Judges who have passed Beer Judge Certification Program (BJCP) qualifications shall be allowed to be impaneled for this competition. The BJCP was originally formed by the Home Wine and Beer Trade Association (HWBTA) and the American Homebrewers Association (AHA) to provide a consistent national standard for beer judging. To be a BJCP Judge one must pass extensive written examination on beer styles, process and characteristics as well as demonstrate ability to identify beer characteristics and defects through tasting. Combination of examination scores and judging experience define the judges rank. To participate, a judge must be at a minimum BCJP Recognized status. Preference will be given to placement of Certified, National and Master judges on panels.

Commercial Craft Brewer: It is assumed that commercial craft brewers have reached high levels of judging ability through experience and training. This basis in experience and quality control entitles the craft brewer to be impaneled as a peer. No commercial craft brewer will be allowed to sit on a panel in which they have a vested interest or entry.

Acknowledged Beer Experts: Those individuals who possess exceptional qualifications in the knowledge of beer and are experienced in judging beers may be impaneled as judges. These may include, but is not limited to, those persons who are brewing experts, beer authors, consultants, educators or researchers in beer and brewing. Acknowledged beer experts may not sit on a panel in which they have a vested interest.

15. **LATE ENTRIES:** Late Entries may be accepted by the California State Fair under the following conditions:
 1. The completed entry form(s) and other completed required forms, signatures and full payment for all required fees must arrive at the California State Fair Entry Office (by Certified Mail or Hand Delivery) no later than five calendar days after the official entry deadline requirement of the competition (ie; Creative Arts, Junior Livestock, Youth Exhibits, etc.) For example, if the Official Entry Deadline is July 15, the last day and time a late entry may be eligible is July 20 at 4:00 PM. If late entries arrive after 4:00 PM on that fifth day, they will NOT be considered.
 2. All late entries must be accompanied with the entry fee as listed within the program in addition to a late fee equal to \$20 per entry for all livestock and horse entries and \$10 per entry for all non livestock competitions in addition to small animals (Fur and Feathers and dogs). Acceptable forms of payment are Visa, master card, check or money order.
 3. No entries will be accepted beyond the capacity of the facility.

4. All other entry requirements as well as any rules, regulations and schedules shall apply.
 5. No entry is a guarantee of acceptance and it is the exhibitor's responsibility to confirm that the fair has accepted any and all entries.
 6. The California State Fair expressly reserves the right to reject any and all entry forms for any reason whatsoever.
- 16. DESIGN:** The California State Fair assumes total design control over the presentation of the exhibits. Entries designed for hanging and not so equipped will be hung in a manner deemed appropriate by the Fair. No exhibit changes will be made once the entries have been displayed. Once an entry has been received by the Fair, no further handling of entry by exhibitor shall be permitted. Relocation and final placement shall be accomplished by Fair personnel. Entries requiring assembly/disassembly must include detailed instructions and sketches for assembly/disassembly. Instructions should indicate lifting points, unsecured parts and any other information required for such handling. Where necessary bank pins will be utilized to attach exhibits for display.
- 17. JUNIORS ENTERING SENIOR DEPARTMENT:** All divisions and classes within Junior Departments are intended for Juniors exclusively. Entry into the Junior Department is regulated by age and youth organization requirements as outlined within this competition handbook. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.

However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:

1. A class for the exhibit that is not provided in the Junior Department.
2. Junior Livestock Exhibitors in Breeding Beef, Breeding Sheep, Breeding Swine, Dairy Cattle, Boer Goats, and Market Barrows that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and met all Open Division entry deadlines and guidelines. **This rule does not apply to Junior Dairy Goats.**
3. Open classes or divisions that allows for participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year's Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this handbook.

Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their Summary form. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the fair.

Exhibit animals owned in partnership between Seniors and Juniors shall not affect the Junior's eligibility when the Senior partner is the exhibitor. When violations of this rule occur, the junior exhibitor will not be eligible to compete at the current and following years California State Fair.

- 18. FAIR EMPLOYEE PARTICIPATION:** No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, contractor or paid employee.

DISQUALIFICATION

- 19. DISQUALIFICATION:** The State Fair management shall reserve the right to vacate,

declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.

20. ENTRY DISQUALIFICATIONS/TRANSFERS: A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered. It is not, however, the responsibility of the State Fair or judge to transfer an entry to the correct Division and/or Class.

21. DISQUALIFICATIONS: In the event an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the Fair's Residue Avoidance Program, DNA Testing Program and those not adhering to the Fair's schedule for the program), any or all of the following actions can or will take place:

- a. The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.
- b. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by Fair Management.
- c. Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification. This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition. For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when 2nd place has been clearly indicated by the judge. If it is not possible to clearly determine a new placing, no change shall take place. When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words 2nd place will now receive 1st money and "no" entry will receive 2nd money.

22. COOPERATION: Exhibitors not cooperating with security personnel or any other Fair officials in all matters of policy, including but not limited to parking, stall/pen/space assignments and appearance, and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately.

23. PUBLIC DISTURBANCES: Exhibitors causing public disturbances, those who are uncooperative and/or unsportsmanlike, those not following good animal welfare practices as determined by management, or those found in violation of rules or in practices unethical or inimical with the Fair program and/or policies/procedures shall be penalized by forfeiture of premium awarded, any and all awards, payments of fines and/or damages to State Property, privileges, and/or disqualification at this or subsequent State Fairs as may be deemed appropriate by the Fair Management and/or the Board of Directors. Further, if the exhibitor and/or exhibitor's adult supervisor, parent or family member's actions are deemed to be illegal, inhumane or unethical to livestock, the proper authorities will be notified for further investigation by those agencies for possible prosecution and/or civil penalties.

24. PROBATION: Any exhibitor found in violation of any rule may be placed on probation

for a period of one year or longer if Fair management deems necessary.

JUDGING

- 25. JUDGING:** The judge(s) shall award first, second or third place, etc., according to merit and if without merit the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.
- 26. JUDGE/EXHIBITOR INFORMATION:** No person shall act as a judge in any Division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibitor division, in charge of a group of exhibitors, or is a member of a group of exhibitors.
- 27. JUDGE/FRATERNIZATION/CRITICISM:** Judges should avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the Fair's staff, or to offer any criticism of any exhibit of another. Violators of this rule shall be excluded immediately from the judging area and from competition and be subject to such additional penalties, including cancellations of awards, as the State Fair management shall consider proper.
- 28. JUDGE'S DECISION:** The judge's decision is final. The judge's decision cannot be protested.
- 29. CHIEF JUDGE POLICY:** A Chief Judge will be assigned by the Fair, for still exhibits only, to mediate in the event there is a conflict during the judging process. All decisions of the Chief Judge shall be final and may not be protested.
- 30. PROTESTS:** For still exhibits and horse only - Any protest must be in writing with the Fair's executive staff member responsible for the Competitive Program in question within 24 hours of the time of the cause of the protest. Protests must be based on violation of rules. The judge's decisions on awards cannot be protested. No protest shall be considered by the management unless accompanied by a deposit of \$1 00.00 (Cash, money order or certified check). The deposit shall be forfeited if the protest is not upheld. Protests shall be adjudicated by Fair management. Fair management will consult with a member of the California State Fair Board of Directors who shall be designated by the Chairman of the Board. The decision of Fair Management shall be final and unappealable. See special livestock rules for protests in the Livestock Program.
- 31. REJUDGING:** Under no circumstance will any entry which has been previously judged be "rejudged" due to the disqualification or removal of another entry.

AWARDS

- 32. SPECIAL AWARDS:** Special Awards contributed by businesses or individuals are offered in some California State Fair Competitive Programs. These Special Awards are the obligation of the contributor/donor. The California State Fair is not responsible for redemption of these awards.
- 33. TAX LAWS:** It is the responsibility of the exhibitor to investigate and adhere to State and Federal tax laws/regulations regarding premiums paid and awards received. As an out-of-state payee who earns \$1500 or more, we must withhold 7% for State taxes. You can request an exemption or a reduction of this withholding by filling out and submitting the Nonresident Withholding Waiver Request, California Form 588.
- 34. PREMIUMS/AWARDS:** Awards, ribbons, tags or cards have no value as payment. Premiums are paid only from the records of the judges sheets. Premium checks will be issued as soon as auditing, drug testing, if applicable, and processing can be completed. If checks are not received by November 15, please phone or write the State Fair. Checks must be cashed within six months of the date of issue. Exhibitors have until January 30, 2007, to claim checks returned to the State Fair. Checks will not be reissued after this date.

If, however, the project or entry was not produced or conducted under the supervision of the organization, the Junior must enter as an Independent Junior for that project or entry. - c. **California Grange:** California Grange youth shall be considered Independent Juniors for Livestock, Dairy and Small Animal. However, in Still Exhibits competitions Grange youth must enter Grange divisions if the project was produced under the supervision of the organization or Independent Junior if the project was not produced under the supervision of the organization.
- d. **Independent Still Exhibits Exhibitors:** Persons, who are "not" 4-H, FFA or Grange members may enter the Junior competitions provided they meet age requirements for youth exhibitors in the competition they are entering. These Juniors are considered Independent Juniors and must enter Independent Junior classes or divisions when the classes or divisions are designated as such in the Indoor (Still Exhibits) Competitions. Exhibitors who enter Independent of an organization must not be older than 18 years old as of January 1, 2007.
- e. **Independent and Grange Animal Exhibitors:** Persons who are "not" 4-H or FFA members may enter the Junior Livestock Show provided they meet age requirements for animal exhibitors at the State Fair. These Independent exhibitors shall enter 4-H or FFA classes as follows:

- g. **Eligibility questions:** Any questions as to the eligibility of an entry shall be determined by the exhibitor's advisor (for 4-H, FFA or Grange) instructor (for Industrial and Technology Education) or parent or guardian (for Independent Juniors). based. Each level is defined as follows:

- i. **Independent Junior and Grange age requirements: (This rule applies to Indoor non-animal Exhibits only)** Independent Junior and Grange exhibitors may enter California State Fair classes and divisions in indoor (Still Exhibit) competitions if they are 5 years old or eligible for enrollment in kindergarten at their local public school jurisdiction as of January 1, 2007. Independent and Grange exhibitors are eligible to compete/exhibit through December 31 of the year in which they turn 19 years of age. Exhibitors must also meet age and membership requirements of their organizations when entering as a member of an organization. Exhibitors must also meet ownership and all other requirements of the competition to be eligible for entry.
 - m. **No dual affiliation in competition:** Under no circumstances may an exhibitor show the same species or project in more than one Division of the Junior Department.
 - n. **Adult supervision requirement:** All Junior exhibitors, required to be on the State Fairgrounds, must be accompanied and supervised by an adult while on the State Fairgrounds. Instructors, advisors, leaders and other adults in charge of Junior exhibitors shall be responsible for their conduct at all times.
 - o. **FFA supervision requirements:** All FFA exhibitors entered as such must be supervised by their agricultural instructor. Any deviation from this rule must be taken up with the State Vocational Agricultural unit representative in charge. The CATA Curricular Activities Code shall govern the conduct and eligibility of FFA exhibitors and their projects.
 - p. **Industrial and Technology Education Students:** Industrial and Technology
